<https://www.theglobeandmail.com/business/rob-magazine/top-growing-companies/article-canadas-top-growing-companies-2021>

In order to qualify, a company had to have at least \$2 million in annual sales in its most recent fiscal year. Companies had to be for-profit, Canadian-run, headquartered in Canada and independent. Revenue growth was based on 2017 and 2020 financial documentation.

Globe & Mail's Best Managed Canadian Companies 2022

Total = 38 companies

Source: *Globe & Mail, Report on Business Magazine, Canada's Best Managed Companies 2022*

<https://www.theglobeandmail.com/business/rob-magazine/article-canadas-best-managed-companies-2022/>

To be eligible, **companies must be headquartered in Canada and have revenue of \$50 million or more.** They also must be privately owned, including private-equity portfolio companies, Canadian-owned co-operatives or those that are foreign-owned with Canadian-based headquarters; private companies where the management team resides in Canada; or closely held Canadian-owned public companies with fewer than 50% of shares or units traded.

Each company is evaluated on **management abilities and practices across four pillars: strategy, culture and commitment, capabilities and innovation, and governance and financials.**

2021, www.fortune.com

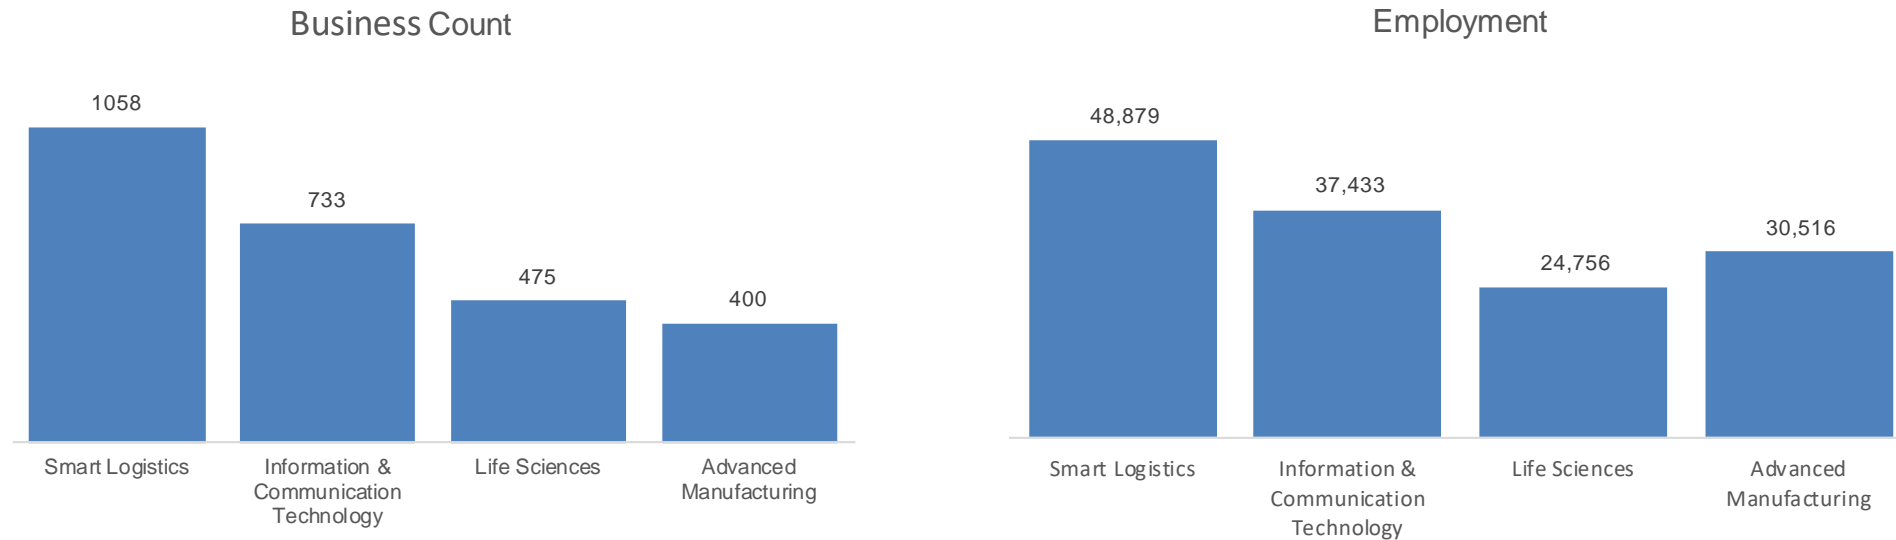

The Global 500 ranks companies across the globe by 2020 revenues. This list includes Canadian head offices or major divisional or regional head offices of Global 500 companies located in Mississauga.

TOP 10 NAICS Industries by Business Count

The **North American Industry Classification System (NAICS)** has been developed by the statistical agencies of Canada, Mexico and the United States. This chart notes the top 10 NAICS industries in Mississauga by business count.

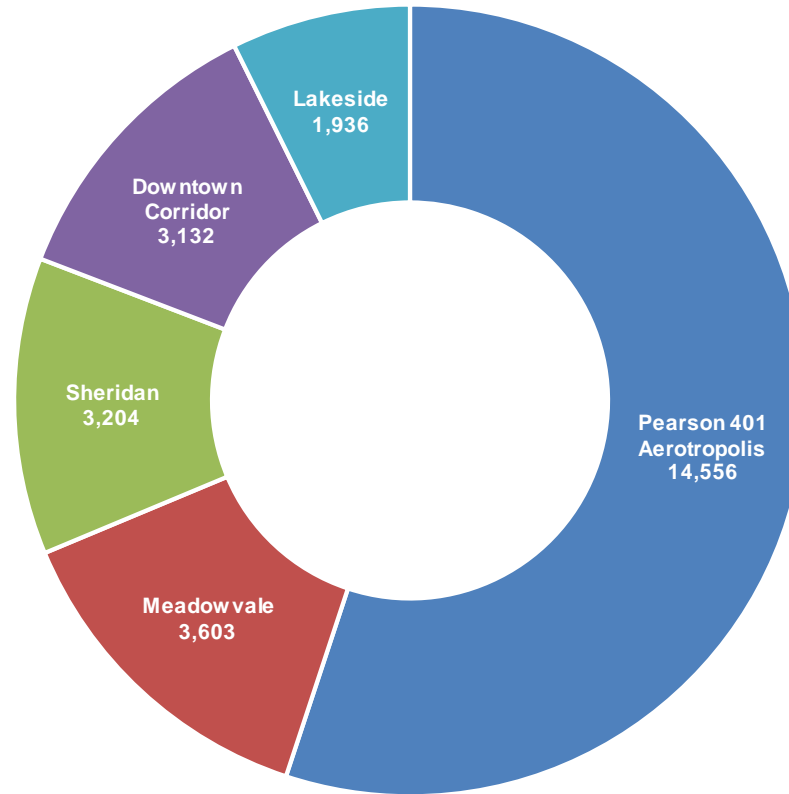

Business Count and Employment by Key Sector

Key Sectors as identified in the Mississauga Economic Development Strategy 2020 - 2025 are broad sector groupings for the focus of strategic growth encouraging innovation and entrepreneurship. These groupings are:

- Elements of the economy on which we already rely most for jobs and economic output and
- Growing sectors with further growth prospects going forward

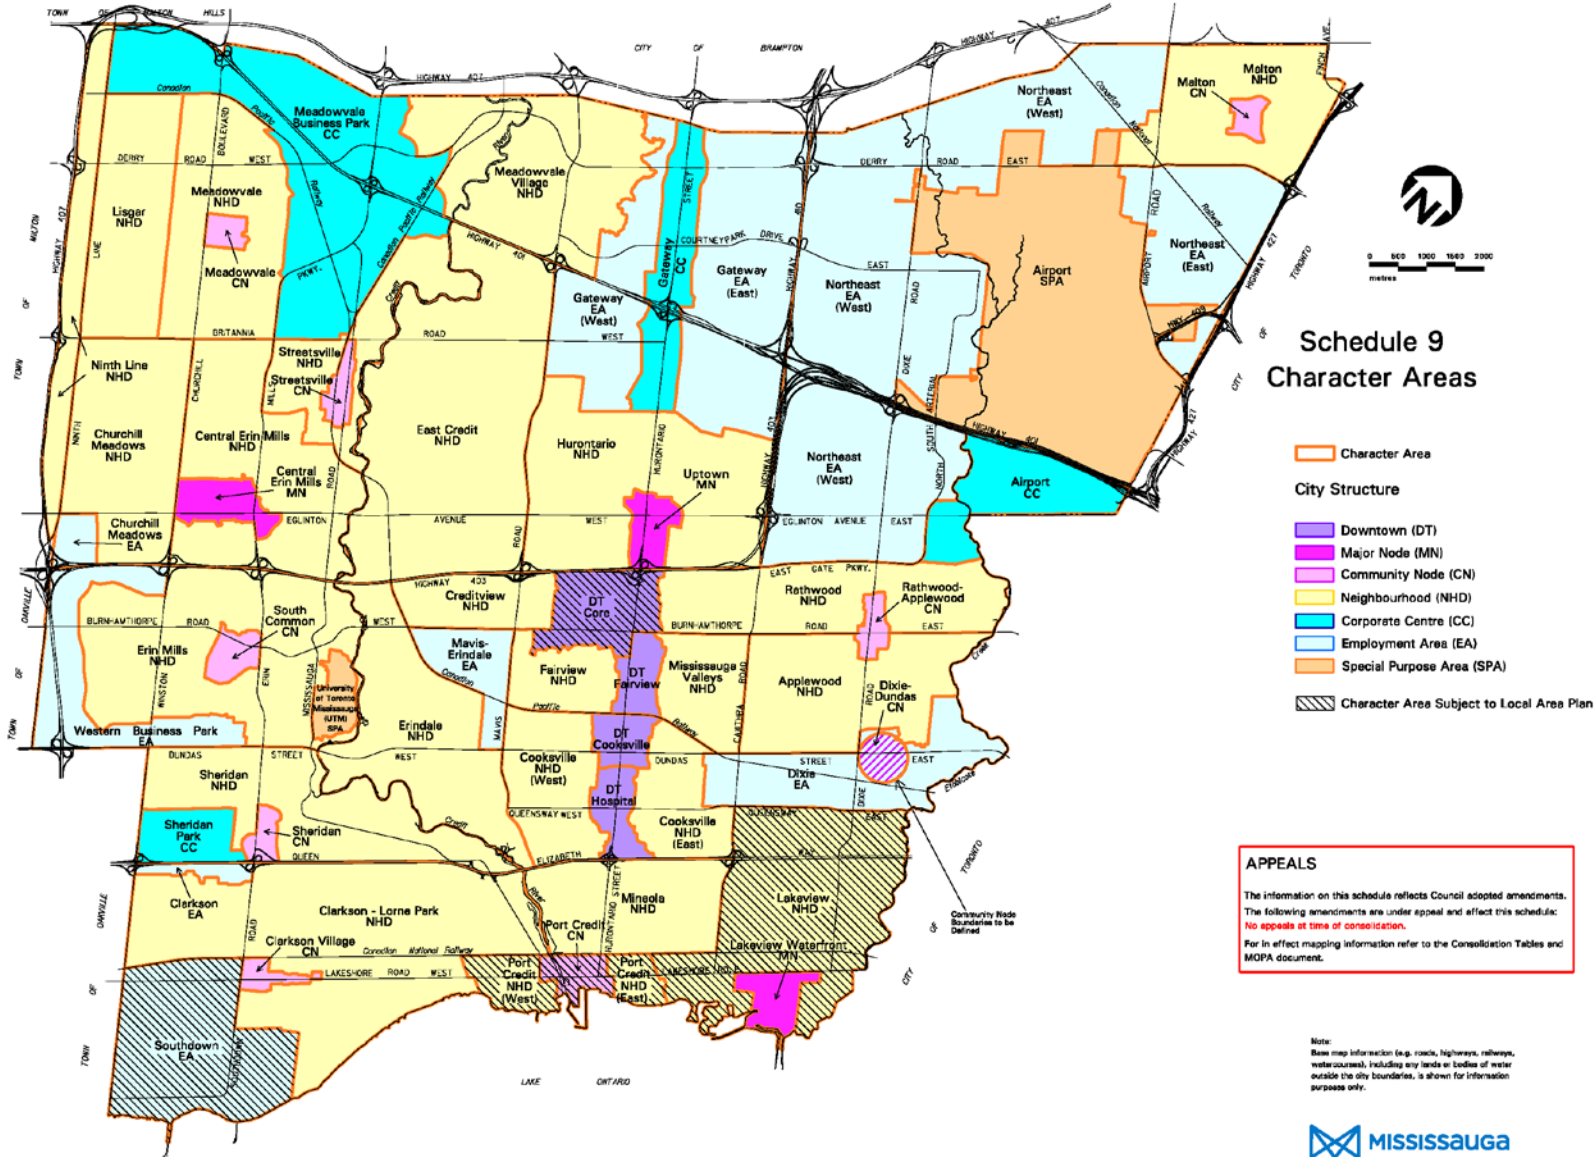

Business Count by Economic Growth Centre

Economic Growth Centres as identified in the Mississauga Economic Strategy: Environmental Scan are broad functional economic areas, the boundaries of which are not part of an official City of Mississauga plan.

Refer to page 9 for Economic Growth Centre locations.
