

Mississauga Climate Leaders Program

Greenhouse Gas (GHG) Emission & Energy Efficiency Site Assessments

IN PARTNERSHIP WITH:

MISSISSAUGA

GHG Site Assessments are offered by the City of Mississauga and delivered by [Partners in Project Green](#)

Overview: The GHG Site Assessment program will provide each participant with a site assessment walk-through conducted by a team of technical experts to identify energy efficiency and carbon reduction opportunities ranging from low-cost/no-cost measures to high-cost/high-impact measures. The GHG Site Assessment program can be taken in addition, and as a complement to, the GHG Training Program.

Expected Outcomes: Upon completion, each participant will receive a two page summary report outlining energy efficiency and carbon reduction opportunities, as well as supporting incentive programs and funding or financing sources.

Structure: The GHG Site Assessment program will include the following:

- **Planning:** Introducing participant to technical experts and preparing for site assessment
- **Site Walk-Through:** Two to five hour site walk-through with technical experts
- **Summary Report:** Two page report delivered with recommended actions and next steps

Course Date: September, 2023 to June, 2024

Eligible Participants: The GHG Training program is open to any business with a physical, non-residential, occupied building space within Mississauga. Applications will be assessed based on a number of criteria, including business size and capacity to benefit from the program. Businesses within any industry are welcome to apply.

Program Provider: [Partners in Project Green \(PPG\)](#), part of the Toronto and Region Conservation Authority, aims to create an internationally recognized community of leaders advancing environmental action and economic prosperity across the GTA. PPG provides services to organizations, businesses and individuals across the Region of Peel, City of Toronto and Region of York.

Interested businesses are encouraged to fill out the [contact form on the Mississauga Climate Leaders Program](#) webpage to learn more about this opportunity.
